11. Discussion Items:

a. Potential sale of Police car and related equipment

Councilmembers discussed the possible sale of the Police Car and related equipment.

Darrell Nelson indicated the car was only used for PT police and he did not think the car has been used since around 2008. One of the benefits to having the car is to discourage drug use; however, the County Sheriff Department's response is fast.

Councilmembers discussed further and agreed that it would be beneficial to look at selling the car and related equipment.

b. Silver Pointe Estates site visit

Mayor Peterson indicated that Silver Pointe Estates final map is before Planning Commission so he put it on as a Discussion item in case any citizens had any question about today's site visit.

12. Citizen Comments:

Darrell Nelson asked if we are still getting Brett Comas for Dumpster Days?

Councilmember Rohr responded that we received a \$150.00 bill every time we had Dumpster Days and Tony can take care of it.

Darrell Nelson responded that it is about 2 hours of worth of work. If the back doors are up on the dumpster, it is hard to get into and discussed it further with Councilmembers. It was agreed to utilize Brett Comas for this Dumpster Days, as Antonio is presently away on vacation.

13. Staff Reports:

Councilmember Rohr asked if any chance we can deal with the house across from the Post Office?

Mayor Peterson responded that he is in the process of getting a prosecutor and wants to make sure we follow all the procedures and all resources are in place before we take action.

14. Adjournment:

Ron Cundick moved to adjourn the meeting.

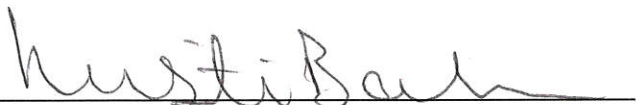

Time: 7:20pm.
